

# Elan Factory Customer Projects

October 2007

## Customer details

The owner of the Lotus Excel works in the insurance industry and is an avid Lotus enthusiast. For several years he has relied on The Elan Factory for spare parts and technical advice in order to maintain this excellent vehicle.

## Vehicle details

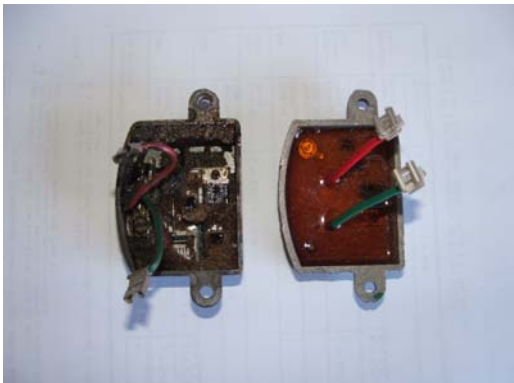

This vehicle is a 1989 Lotus Excel SA was originally acquired by the current owner over four years ago. During this time various tasks have been carried to improve the overall condition. This has included a new roof lining, a replacement window lift motor and gear quadrant supplied by The Elan Factory. This vehicle drives well through the Getrag automatic gearbox. It can also be driven like a manual vehicle to realize the full potential of the 180bhp twin cam engine under the bonnet. It is also an ideal form of ever day transport as it offers the comfort of four seats plus a large boot for luggage.
