

# Elan Factory Customer Projects

September 2007

## Customer details

The owner of this 1988 X180 Esprit purchased this vehicle approximately two years ago. This vehicle was originally privately imported into Australia and was first registered in New South Wales

## Vehicle details

This Esprit has been rescued by the current owner who has carried out numerous tasks. The Elan Factory has supplied numerous engine components, plus a new clutch assembly. More recently fuel fumes were discovered that originated from badly corroded fuel tanks. This problem was rectified by installing custom made alloy fuel tanks.

Rusted out fuel tank

Corrosion caused by water soaked foam

New fuel tank with additional internal baffling

New fuel tank in position

Plywood board secures tank in position

Stainless steel hose clamps installed

Passenger entry

Tidy engine bay

Drivers entry

The sharp end
