TRACK DAY - OULTON PARK TUESDAY 25TH November 2008

Racing Driver and Instructor Sarah Hutchison is offering members the opportunity to run at a Track Day, including sessions for Women Only

Sarah Hutchison, an ARDS Instructor who races a Lotus 18 and a Lancia Beta, is running a Track Day at Oulton Park on Tuesday 25th November, which will include Ladies-Only sessions.

The day is not restricted to women-only, but there will be six 20-minute sessions during the day which will be restricted – **to get those girls out on track!**

This is NOT a test day – it is for friends and family to come along and enjoy driving on track – maybe they will finally understand why you go racing!

The day costs £199 inc VAT, and for second drivers there is a £30 saving, even if you run in separate sessions, making the total for two drivers £368 inc VAT.

Please complete the attached Registration Form and return to Sarah – and don't hesitate to telephone or email if you have any queries. **Noise: 105dB:** Suitably silenced race cars and ordinary road cars are welcome – track driving standards will be policed! Instructors available (please book beforehand with Sarah to assess numbers)

Come along for a family day out on track – **and let's get those girls driving!**

Sarah's latest baby – Series 1 E Type
